PER CURIAM:

Emma Victoria Howard appeals the district court's order adopting the recommendation of the magistrate judge and dismissing her employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Howard v. UNC Healthcare Sys., No. 1:10-cv-00047-WO-PTS (M.D.N.C. Mar. 7, 2011). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
